PRINCIPAL's MESSAGE

Dear Students,

I feel immense pleasure while presenting this “Prospectus – cum – Handbook of information” of Govt. Arya Degree College, Nurpur for the session 2024-2025. I also wish to extend a warm welcome to all the new as well as the old students of this seat of knowledge named in the sacred memory of Swami Dayanand Saraswati, whose name stands among the greatest social and religious reformers of modern India. This college was established as Arya college for girls in June, 1978 with a meagre strength of only 20 girls and was then taken over by the Govt. of Himachal Pradesh on 25th June, 2002 as a co-educational institution and named as Govt. Arya College, Nurpur. Over the years, since then, it has grown in infrastructure as well as academically. The college offers undergraduate courses in the faculties of Arts, Commerce, Science (Medical & Non-Medical) and B. Voc. (Retail Management and Hospitality & Tourism).

We have a competitive and dedicated team of faculty, which is valued for its academic expertise, professional competence, proactive approach and pedagogic initiatives. Our students have excelled in curricular as well as academic spheres. Our college strives to create an environment conducive to continuous academic, co-curricular activities and holistic development of students through social awareness programs like: NSS, NCC, Red Ribbon Club, Road Safety Club, Rovers & Rangers, Eco - Club and Energy Club. Also, many sports activities are available in the college and our sportspersons have shown excellent results in sports like: Wrestling, Judo, Athletics and Boxing etc. Well-equipped laboratories as well as a computer lab offer requisite support to the students for academic excellence. In order to give a boost to our existing facilities and for the welfare of students, the Govt. of Himachal Pradesh has released enough funds under “RUSA” & “UTTKRISHT MAHAVIDYALAYA” schemes and has been awarded as an Institution of excellence.

So, best of luck, as you associate with this institute, while we expect students to be disciplined and punctual, we assure you of our best and sincere efforts in shaping your future as a responsible citizen.

Jai Hind!

Dr. ANIL KUMAR THAKUR

ABOUT THE INSTITUTION

Govt. Arya Degree College, Nurpur, recognized under section 2(f) and 12(B) of the UGC Act 1956 is a constituent college of Himachal Pradesh University, Shimla established as Arya College for girls in June, 1978 with a meagre strength of 20 girls. The institution was started in the sacred memory of **Swami Dayanand Saraswati** whose name stands among the greatest social and religious reformers of modern India, who propounded that knowledge should be imparted without prejudice of caste, creed and sex and that the basic purpose of propagating real education is to inculcate love for Indian cultural ethics in consonance with the Vedic ideas of universal brotherhood.

The Arya College for girls was taken over by the Government of Himachal Pradesh on **25th June, 2002** as a co-educational institution and named as **Govt. Arya Degree College, Nurpur** with only Humanities. From the academic session 2009-10, Science (Medical & Non-Medical) and commerce classes were also started thereby fulfilling the long-standing demand and aspirations of the people of the area.

The University Grants Commission launched an employment-oriented scheme on Skill Development as a part of College/ University education. This vocational degree programme (**B. Voc.**) was started in our college w.e.f. June 2017 with two courses having 40 seats each, one in **Retail Management** and other in **Hospitality & Tourism**.

Having made a mark on the educational horizon of the Himachal Pradesh University, our college strives to create an environment conducive to continuous academic, co-curricular activities and holistic development of students as well as staff members. For this purpose, consistent efforts are made by all stakeholders to foster, encourage and motivate ideas and put them into practice. College tries to inculcate all the values, enshrined in our constitution, value of liberty, equality, justice and brotherhood. We encourage a sense of tolerance for different cultures and opinions among our students.

With the purpose of consistently improving and innovating the teaching learning process and chasing our aim to make it more students centric, we emphasize on best practices and quality learning through hands-on experience, project works and research. Apart from nurturing the abundant talent in our students, the primary focus at all times is to impart knowledge to the next generation of our country. Students are encouraged to reflect upon interpreting meaningful social issues concerning the social milieu with a view to having better interaction with community and promoting involvement and participation through social awareness programmes like **National Service Scheme, Eco-Club, National Cadet Corps, Red Ribbon Club, The Bharat Scouts and Guides-Rovers and Rangers, Road Safety Club, Energy Club and Women Grievance Redressal Cell**.

The Faculty of Govt. Arya Degree College, Nurpur is valued for its **academic expertise, professional competence, proactive approach and pedagogic initiatives, and extending quality education to the students**. The faculty members also help them to develop constructive ideas, ethical and humanitarian values and a deep sense of responsibility towards society. CHOICE BASED CREDIT SYSTEM (CBCS)

Pursuing the aim to enhance and give a boost to enrolment in Higher Education, the University Grant Commission has proposed **Rashtriya Uchch Shiksha Abhiyan (RUSA)**. Under this programme, the CBCS has been introduced with a vision to enhance the quality of education. The new UGC CBCS system has been approved and adopted by the Department of Higher Education and H.P.U Shimla since session 2016-17 and the admission for the session 2024-25 will also be in accordance with the new system and list of Undergraduate Programs to be covered under CBCS as per the U.G.C. guidelines.

BACHELOR COURSES UNDER CBCS:

1. B. Sc. Life Sciences: (Botany, Zoology)
2. B. Sc. Physical Sciences: (Physics, Mathematics & Chemistry/Computer Applications)
3. B. A. (Bachelor of Arts)
4. B. Com. (Bachelor of Commerce)

OUTLINE OF CHOICE-BASED CREDIT SYSTEM:

1. **Core Course:** 4 Discipline Specific Core Courses (DSC) (2 per subject) and 2 Courses of English and Hindi in B.A./B. Com). The papers under this category are going to be taught uniformly across all universities with 30% deviation proposed in the draft. The purpose of fixing core papers is to ensure that all the institutions follow a minimum common curriculum so that each institution/university adheres to common minimum standard. Also, the course designed for papers under this category aims to cover the basics that a student is expected to imbibe in that particular discipline. A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.

2. **Elective Course:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.

2.1 **Discipline Specific Elective (DSE) Course:** (2 each for regular courses): Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. The list provided under this category are suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope, and need. The University/Institute may also offer discipline-related Elective courses of interdisciplinary nature (to be offered by the main discipline/subject of study).

2.2 **Generic Elective (GE) Course:** (2 each for B.A. /B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers. The list provided under this category are suggestive in nature and each University has complete freedom to

suggest their own papers under this category based on their expertise, specialization, requirements, scope and need.

Note: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. Ability Enhancement Courses (AEC): The Ability Enhancement (AE) Courses may be of two kinds: **Ability Enhancement Compulsory Courses (AECC) and Skill Enhancement Courses (SEC).** "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; **i. Environmental Science and ii. English/Hindi/MIL Communication.** These are mandatory for all disciplines. **SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.**

3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/Hindi Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC): (4 for regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/fieldwork. The main purpose of these courses is to provide students with life-skills in the hands-on mode so as to increase their employability. The list provided under this category is suggestive in nature and each University has complete freedom to suggest their own papers under this category based on their expertise, specialization, requirements, scope, and need.

3.3 Practical/tutorials: - (One each with every core and discipline/generic specific elective paper): The list of practical provided is suggestive in nature and each university has the freedom to add/subtract/edit practical from the list depending on their faculty and infrastructure available. However, the addition will be of a similar nature.

CREDIT SCHEME

1. An Undergraduate degree in Humanities/ Social Sciences/ Commerce may be awarded if a student completes four core courses each in two disciplines of choice, two core courses each in English and Hindi/MIL, respectively, two Ability Enhancement Compulsory Courses (AECC), minimum four Skill Enhancement Courses (SEC), two courses each from a list of Discipline Specific Elective courses based on the two disciplines of choice selected above, respectively, and two courses from the list of Generic Electives courses.

2. An undergraduate degree in science disciplines may be awarded if a student completes four core courses each in three disciplines of choice, two Ability Enhancement Compulsory Courses (AECC), minimum of four Skill Enhancement Courses (SEC), and two courses each from a list of Discipline Specific Elective courses based on three disciplines of choice selected above, respectively.

3. For the purpose of computation of work-load the following mechanism may be adopted:

- i) 1 Credit = 1 Theory period of one-hour duration per week
- ii) 1 Credit = 1 Tutorial period of one-hour duration per week
- iii) 1 Credit = 1 Practical period of two-hour duration per week
