A meeting of IQAC was held under the chairperson and principal of college Dr Vishavjeet Singh on 25-10-2023.

Agenda: To assess the overall progress already made in preparation of SSR for NAAC accreditation process and necessary steps to be taken for completion of the same.

Minutes :

1. The minutes of the last meeting were read out before the committee members and approved for final execution.
 2. For quality enhancement and obtaining funds from the higher authorities, it was proposed to complete the process of SSR preparation for the first cycle of NAAC accreditation process. Therefore, all the concerned committee members for seven criteria of SSR were asked about the progress already made and remaining work to be done in a time bound manner.
 2. Keeping in view the importance of Career Guidance, Counseling and Placement Cell of college, it was emphasized that future education is going to be career oriented, so students must be made aware about the selection of their right career by providing guidance and assistance to them. Further, resource persons from different fields must be invited to provide knowledge about various career options.
 3. The already established Alumni Association of the college must be updated and the college must have the records of all the students who have passed out and progressed to higher education or got selected through competitive examinations in various fields at higher / important posts till date.
 4. The vision document of the college including the future plans and development works must be prepared and to be completed within a specified period of time by the college committee constituted for this purpose.
 5. In consideration of the overall development of students, there was a brief discussion about the improvement in teaching skills of teachers by organization of workshops / trainings at regular intervals. This was also thought to be helpful in increasing the merit and pass percentage of students for coming years.
 6. In order to reduce the addiction of mobile phones prevalent among students, it was proposed to encourage the development of the habit of going to the library among students and also to augment their reading and learning habits.
 7. For proper execution of activities to be done during a session, it was advised to formulate the activities calendar of college and various departments / clubs / societies / committees to be done during a session and records of these activities must be kept with relevant committees and library in charge.
- The meeting ended with a vote of thanks to the Chair and members.
