PRINCIPAL's MESSAGE

Dear Students,

It gives me immense pleasure to present the “Prospectus-cum-Handbook of Information” of Govt. Arya Degree College, Nurpur for the academic session 2026–2027. I also extend a warm and heartfelt welcome to both new and returning students to this esteemed institution, established in the sacred memory of **Swami Dayanand Saraswati**—one of the greatest social and religious reformers of modern India.

The college was founded in June 1978 as Arya College (Private College) for Girls with a modest beginning of only 20 students. Subsequently, it was taken over by the Government of Himachal Pradesh on 25 June 2002 and transformed into a co-educational institution under the name Govt. Arya Degree College, Nurpur. Since then, the college has witnessed significant growth in both infrastructure and academic excellence.

At present, the college offers undergraduate programmes in the faculties of Arts, Commerce, and Science (Medical and Non-Medical), along with B. Voc. courses in Retail Management and Hospitality & Tourism. We take pride in our team of dedicated and competent faculty members, who are recognised for their academic expertise, professional commitment, innovative teaching methods, and proactive approach.

Our students have consistently excelled in both curricular and co-curricular domains. The college strives to provide a conducive environment for academic pursuits, co-curricular engagement, and the holistic development of students. Social awareness and community participation are actively promoted through various platforms such as the National Service Scheme (NSS), National Cadet Corps (NCC), Red Ribbon Club, Road Safety Club, Bharat Scouts and Guides (Rovers & Rangers), Eco-Club, and Energy Club.

In addition to academic excellence, the institution encourages active participation in sports. Our students have brought laurels to the college through outstanding performance in disciplines such as wrestling, judo, athletics, and boxing. Well-equipped laboratories and a computer lab further support students in achieving their academic and professional goals. To enhance infrastructure and student welfare, the Government of Himachal Pradesh has provided substantial funding under schemes such as RUSA and Utkrisht Mahavidyalaya, under which the college has been recognised as an Institution of Excellence.

As you embark on your academic journey with us, I wish you success and fulfilment. We expect our students to maintain discipline and punctuality, and in return, we assure you of our sincere and dedicated efforts in shaping your future as responsible and enlightened citizens.

With best wishes.

Jai Hind!

Dr. ANIL KUMAR THAKUR

ABOUT THE INSTITUTION

Govt. Arya Degree College, Nurpur, recognised under Sections 2(f) and 12(B) of the UGC Act, 1956, is a constituent college of Himachal Pradesh University, Shimla. The institution was established in June 1978 as Arya College (private college) for Girls with a modest enrolment of just 20 students. It was founded in the sacred memory of Swami Dayanand Saraswati, one of the greatest social and religious reformers of modern India, who advocated for the dissemination of education free from discrimination based on caste, creed, or gender. His philosophy emphasised the promotion of meaningful education rooted in Indian cultural values and the Vedic ideal of universal brotherhood.

On 25 June 2002, the college was taken over by the Government of Himachal Pradesh and transformed into a co-educational institution, thereafter known as Govt. Arya Degree College, Nurpur. Initially offering only the Humanities stream, the college expanded its academic framework in the 2009–10 session by introducing Science (Medical and Non-Medical) and Commerce streams, thereby addressing the aspirations and educational needs of the local community.

In alignment with the University Grants Commission's initiative to promote skill-based education, the college further broadened its academic horizon by introducing the Bachelor of Vocation (B.Voc.) programme in June 2017. This employment-oriented programme offers courses in Retail Management and Hospitality & Tourism, each with an intake capacity of 40 students.

Over the years, the institution has established a strong presence within the academic framework of Himachal Pradesh University. It remains committed to fostering an environment conducive to academic excellence, co-curricular engagement, and the holistic development of both students and staff. Through the collective efforts of its stakeholders, the college actively promotes innovation in education while upholding the constitutional values of liberty, equality, justice, and fraternity, along with a spirit of cultural harmony.

Adopting a student-centric approach, the college continuously strives to enhance the teaching-learning process through best practices such as experiential learning, and project-based activities. Its mission is to empower students with the knowledge, skills, and values necessary to realise their full potential.

Beyond academics, students are encouraged to actively engage with society and develop a sense of social responsibility. This is facilitated through participation in a range of organisations and clubs, including the National Service Scheme (NSS), National Cadet Corps (NCC), Holy Fig Eco-Club, Red Ribbon Club, Bharat Scouts and Guides (Rovers and Rangers), Road Safety Club, and Energy Club.

Renowned for its academic excellence, professional competence, progressive outlook, and innovative pedagogical practices, the college is supported by a dedicated faculty that plays a pivotal role in nurturing ethical values, social responsibility, and a humanitarian outlook among students.

NEW EDUCATION POLICY 2020**CURRICULUM AND CREDIT FRAMEWORK FOR UNDERGRADUATE PROGRAMMES UNDER NEP 2020 (Effective from Academic Session 2026–27)**

Beginning this academic session, Government Arya Degree College Nurpur is going to adopt the **National Education Policy (NEP) 2020** as implemented by Govt. of Himachal Pradesh and HPU, introducing a **flexible, multidisciplinary, and student-centric undergraduate curriculum framework**. The National Education Policy (NEP) 2020 recognises that higher education plays a crucial role in promoting human and societal well-being, and in developing India as envisioned in its Constitution—a democratic, just, socially conscious, and humane nation that upholds liberty, equality, fraternity, and justice for all. The NEP 2020 notes, "given the 21st-century requirements, quality higher education must aim to develop good, thoughtful, well-rounded, and creative individuals."

New Curriculum and Credit Framework

The aims and objectives of the Curriculum and Credit Framework under NEP 2020 are to highlight certain fundamental principles that will guide both the education system as a whole and individual educational institution

Curricular Goals

The new student-centric CCFUGP of UGC introduces holistic and multidisciplinary undergraduate education that would help develop all capacities of human beings – intellectual, aesthetic, social, physical, emotional, ethical, and moral – in an integrated manner; soft skills, such as complex problem solving, critical thinking, creative thinking, communication skills; and rigorous specialization in a chosen field(s) of learning

Outcome-Based Approach

The National Higher Education Qualification Framework (NHEQF) envisages that students must possess the quality and characteristics of the graduate of a programme of study, including learning outcomes relating to the disciplinary area(s) in the chosen field(s) of learning and generic learning outcomes that are expected to be acquired by a graduate on completion of the programme(s) of study

Academic Structure & Credit Framework for UG Programme (B.A./B.Sc./B.Com.)

Level	Semester	Credits (Approx.)	Outcome
4.5	I–II	44 Credits	Undergraduate Certificate
5	III–IV	86 Credits	Undergraduate Diploma
5.5	V–VI	128 Credits	Bachelor's Degree

Programme Pathways; After semester II a student may opt for:

Single Major Programme / Multidisciplinary/Interdisciplinary Programme

Note: Once chosen, the Major/Minor combination continues till Semester VI.

Important Academic Guidelines

- Students study **three subjects (A, B, C)** in Semester I.
 - Multidisciplinary Courses (MDCs)** must be from outside Major/Minor disciplines.
 - Skill Courses (SEC)** include both discipline-specific and open options.
 - Language Courses:** Maximum two allowed as Core/Minor.
 - Internship (IAPC)** is introduced early for practical exposure.
- These guidelines ensure **flexibility with academic depth.**

Value Added & Skill-Based Learning

- VAC (Value Added Courses)** includes Environmental Awareness
- SEC Courses** focus on employability skills
- Internships & Projects** provide real-world exposure

Exit-Based Certification System

Exit Point	After Semester II	After Semester IV	After Semester VI
Qualification Awarded	UG Certificate	UG Diploma	Bachelor's Degree

Important Note

- This curriculum is **being implemented for the first time** and may undergo modifications.
- Any revisions by the University will be **applicable retrospectively.**

The NEP-2020 framework represents a **transformative shift in higher education**, enabling:

- Flexibility in learning, Interdisciplinary exposure, Skill development and Academic mobility
- Government Arya Degree College Nurpur is committed to **effective implementation** of this progressive system to ensure **holistic development and future readiness of students**.

Degree – 3 Year BA/BSc/BCom with major in a specific discipline.

- In the 1st semester, students will be offered three different subjects of the same stream: A, B and C.
- At the end of the second semester, each student may choose any one of the two programs: Multi-Disciplinary/Interdisciplinary or Single Major. The student choosing the Single Major program will be required to give his/her Major and Minor at the end of the second semester. Such choices made at the end of the second semester shall continue until the VI semester. Another discipline's DSC of the first two semesters of those students who opt for a Major program will be treated as Minors. A DSC offered in one discipline will be treated as a Minor by another. The students can choose Minor Courses from two different subjects but will have to earn a minimum of 12 credits in each. MDCs must be selected from a broad discipline/pool of MDCs other than Major and Minor subjects.
- AEC/VAC/SEC-3 should be chosen from a pool of courses. Every discipline shall provide these courses, some of which will be offered discipline-specific while the rest can be open to students of all other disciplines. However, the two SECs (SEC-1 & SEC-2) must be chosen from the discipline-specific (Core and Minor).
- The maximum two language courses can be opted as Core and Minor. AECs should be of a language other than studied in DSCs/Minors.

- I/A/P/C will be determined at the end of the first semester to enable students to carry out some I/A/P/C activities during winter vacation.
- A student who secures 75% or more marks in aggregate till semester 6 (up a to 3-year degree) shall be eligible for a 4-year degree Honours with research, provided HPU has approved the college to offer it. One course per semester (DSC/Minor/MDC/SEC/etc.) from a subject offered in two (or more) different programs (e.g. BCA and BSc/BPA and BA/ BFA and BA/ Shastri and BA/etc.) must be the same.
- Major and Minor shall be awarded on fulfilment of the following conditions: Major-64 credits (3 yrs) and Minor-28 credits (4 yr) in one subject/discipline.

As this scheme is being introduced for the first time, it is subject to modifications. Any changes applied in subsequent years after admission to the 1st Year will be retrospectively applicable.

CHOICE BASED CREDIT SYSTEM (CBCS) 2nd & 3rd Year

Pursuing the aim to enhance and give a boost to enrolment in Higher Education, the University Grants Commission has proposed **Rashtriya Uchch Shiksha Abhiyan (RUSA)**. Under this programme, the CBCS has been introduced with a vision to enhance the quality of education. The new UGC CBCS system has been approved and adopted by the Department of Higher Education and H.P.U Shimla since session 2016-17 and the admission for the session 2026-27 will also be in accordance with the new system and list of Undergraduate Programs to be covered under CBCS as per the U.G.C. guidelines.

BACHELOR COURSES UNDER CBCS:

1. **B. Sc. Life Sciences: (Botany, Zoology)**
2. **B. Sc. Physical Sciences: (Physics, Mathematics & Chemistry/Computer Science)**
3. **B. A. (Bachelor of Arts)**
4. **B. Com. (Bachelor of Commerce)**

OUTLINE OF CHOICE-BASED CREDIT SYSTEM:

1. **Core Course:** 4 Discipline Specific Core Courses (DSC) (2 per subject) and 2 Courses of English and Hindi in B.A./B. Com). A course, which should compulsorily be studied by a candidate as a core requirement is termed as a Core course.
2. **Elective Course:** Generally, a course which can be chosen from a pool of courses and which may be very specific or specialized or advanced or supportive to the discipline/ subject of study or which provides an extended scope or which enables an exposure to some other discipline/subject/domain or nurtures the candidate's proficiency/skill is called an Elective Course.
 - 2.1 **Discipline Specific Elective (DSE) Course:** (2 each for regular courses): Elective courses offered under the main discipline/subject of study are referred to as Discipline Specific Elective. .
 - 2.2 **Generic Elective (GE) Course:** (2 each for B.A. /B.Com. regular courses): An elective course chosen from an unrelated discipline/subject, with an intention to seek exposure beyond discipline/s of choice is called a Generic Elective. The purpose of this category of papers is to offer the students the option to explore disciplines of interest beyond the choices they make in Core and Discipline Specific Elective papers.

Note: A core course offered in a discipline/subject may be treated as an elective by other discipline/subject and vice versa and such electives may also be referred to as Generic Elective.

3. **Ability Enhancement Courses (AEC):** The Ability Enhancement (AE) Courses may be of two kinds: **Ability Enhancement Compulsory Courses (AECC)** and **Skill Enhancement Courses (SEC)**. "AECC" courses are the courses based upon the content that leads to Knowledge enhancement; i. **Environmental Science** and ii. **English/Hindi/MIL Communication**. These are mandatory for all disciplines. SEC courses are value-based and/or skill-based and are aimed at providing hands-on-training, competencies, skills, etc.

3.1 Ability Enhancement Compulsory Courses (AECC): Environmental Science, English Communication/Hindi Communication/MIL Communication.

3.2 Skill Enhancement Courses (SEC): (4 for regular courses): These courses may be chosen from a pool of courses designed to provide value-based and/or skill-based knowledge and should contain both theory and lab/hands-on/training/fieldwork.
